

# TORREY PINES ELEMENTARY SCHOOL MONTHLY UPDATE- THIRD GRADE

September-October 2017

## FROM THE PRINCIPAL'S DESK:

Dear TPES Families,

Our 2017-2018 school year has started out with great success! You will be receiving three updates from our specialty teachers about all the wonderful instruction that is occurring each week. Please take the time to read through each specialty and discuss with your child what they are learning. We have amazing specialties that are unique to Torrey Pines and are a large part of your child's education. Another way to help your child's educational experience is staying informed. I realize that we send parents a lot of information about what is happening at school. Please take the time to read, discuss and participate as much as you can. Your child's elementary school experience goes by quickly; make sure you are involved with your child along the way!!

With warm regards,  
Principal Ott

## UPDATE FROM THIRD GRADE ROTATION AND SPECIALTY TEACHERS

### Elementary School Counseling Focus with Mrs. Riney

Third graders reviewed the nine strategies they were previously taught to help themselves manage conflict with other peers in a respectful, strong, and polite way. We discussed each problem solving strategy, acted them out, role-played, and watched a video of kids managing conflict successfully.

To contact Mrs. Riney email her: [kriney@sandi.net](mailto:kriney@sandi.net)

## FOUNDATION SUPPORTED PROGRAMS:

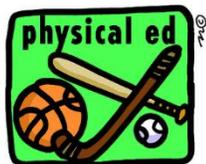

### with Ms. Isom

The last few months in Awesome Science have been out of this world as we studied about planet Earth and its place in the Solar System! We started the year off with a review of how we use our five senses to observe our world and then we dove into studying about Earth by:

- Discovering the **reasons for the seasons** because of our relationship with our star (the Sun), the Earth's tilt (23.5 degrees) and our yearly orbit.
- Learning about **our satellite**, the Moon and its different **phases**.
- Determining why the stars appear to be moving. What causes this movement and allows us to experience the different **constellations** we observe in the night sky.

To contact Ms. Isom email her: [cisom@sandi.net](mailto:cisom@sandi.net)

### with Coach Sergio

All students will be learning the fundamentals of the sports and games we play at TPES including the rules and how to play safe and fair while having fun. We kicked off the year with soccer and are now transitioning to basketball. In both sports we focus on ball control including dribbling, passing, and shooting while playing different fun games!

Please dress appropriate for sports and games on PE days.

Any questions please feel free to ask, Sergio To contact Coach Sergio email him: [sergioatthey@yahoo.com](mailto:sergioatthey@yahoo.com)

### with Ms. Slavik

Always ready for a challenge, we've mastered partner songs, and rounds. Your student explored music by:

- Singing age appropriate songs. Ask them about *My Bonnie Lies Over the Ocean*, *I Want to Know and Ghost of John*
- Playing 16 beat rhythm games with quarter notes, quarter rests, eighth and half notes
- Listening and recognizing Bach (Tocatta and Fugue in) *d minor*, Vivaldi *Spring*, and Beethoven *5<sup>th</sup> Symphony*, Haydn *Surprise*, Mancini *Baby Elephant Walk*, Mozart *A Little Night Music*, Grieg *Hall of the Mountain King*, and Williams *Harry Potter*

To contact Ms. Slavik email her: [cherylslavik@sbcglobal.net](mailto:cherylslavik@sbcglobal.net)

### with Ms. Syeda

TPES artists have been making awesome art like crazy since we started in September! We have been studying art making techniques and concepts as well as master artists.

Our online art gallery is now up and running! Most of you have received permission slips and instructions on how to view your students' art online. I will be sending another round of permission slips in the next few weeks, in case anyone has lost the slips or did not get one for their child yet. This is also a fundraiser. Through the website, you can purchase items with your child's art on it, and 20 % comes back to the school. Check it out, the items would make great holiday gifts for family members!

Third grade students will be venturing into creating non-objective and abstract art. We will look at the art of Robert Delauney, and use lines and circles to create similar images.

To contact Ms. Syeda email her: [jsyeda@sandi.net](mailto:jsyeda@sandi.net)

### With Profesora González

Hola, Third graders started the year

\*reviewing greetings, days of the week, months of the year, and numbers 1-30, and to 100 by 10s.

\*reviewing the sounds of letters in the alphabet and spelling their names and vocabulary words.

\*reviewing asking someone's name and responding to basic greeting questions

\*learning commands we utilize in class

\*practicing addition and subtraction using oral drill of numbers in Spanish

Just last week, we talked about their favorite holiday and the traditions that were part of their holiday. Following this discussion, students learned about the importance and traditions of Día de los Muertos and had the opportunity to honor a loved one by coloring their Calavera. We read the book *Day of the Dead* (<https://www.youtube.com/watch?v=2LY5oySIHDU>).
