

TPES FOUNDATION

TPES Gala Auction: Funbooks Events

A **FUNBOOK** is an event/party/experience hosted & paid for by a TPES family/families. The hosts come up with an event, determine if it's kids only, adults only or family, as well as how many people can 'buy in' to their event. The 'buy' amount is donated to the Foundation to support school teachers and student programs, like art, music, PE, and technology. Funbooks are typically not bid on, but have a set price & set number of 'spots,' so they can sell out! They can be as creative as you want. Some examples:
