

TORREY PINES ELEMENTARY SCHOOL

SCIENCE DISCOVERY DAY

*** WEDNESDAY FEBRUARY 28, 2018 ***

8:00-11:30 AM

CALL FOR PRESENTERS AND EVENT VOLUNTEERS

Are you passionate about science and technology? We are too! Are you a professional in a science or technology related field? Do you know a fun, unique, or gross science activity or experiment? Are you gifted at working with small groups of children?

Great! Science Discovery Day wants you!

Help us bring this passion to our kids at TPES and be part of the most popular school-wide educational event in La Jolla. For over 20 years Science Discovery Day has inspired budding scientists with hands-on, age-appropriate science and technology activities. To continue this tradition, we want to make this Science Discovery Day the most exciting event yet. To make that happen, we need you.

Please volunteer to be a presenter or just help out at the 23rd Annual TPES Science Discovery Day. If you have friends or neighbors in the sciences please encourage them to participate in the fun too. It is the presenters that make this day such a joy for the students every year.

Each student gets to experience three 30-minute different science activities from three different presenters. We need lots of presenters-which means we need YOUR help to make this amazing morning a reality!

Do you want to present but you need help coming up with a presentation? Sign up, and we will help you with ideas and plans!

To join us for a morning of fun and learning, please complete the form at http://bit.ly/tpes-sdd-2018. Alternatively, you can fill out the form below and return it to the Torrey Pines Elementary School office, or email it to us at sdd@tpesfoundation.org.

For more information or to discuss ideas for your presentation, please contact us at sdd@tpesfoundation.org.

The 2018 Science Discovery Day team: Nadir Weibel, Katherine Williams, Anna De Angelis
